Mary Ellen Cushwa Wolsonovich February 3, 1949 – October 13, 1998

In 1986, Mary Ellen Cushwa Wolsonovich approached Father Daniel M. Venglarik, Principal of Ursuline High School, about the possibility of establishing an annual fund raising auction that had been successfully implemented by many Catholic high schools across the nation. After months of research and a site visit to an auction held at St. Joseph High School in South Bend, Indiana, both Father Venglarik and Mary Ellen were convinced that such an event would be greeted enthusiastically by local alumni and parents. In 1989, the first annual auction – *Operation Education* – was inaugurated as a cooperative effort between Ursuline and Cardinal Mooney High Schools.

Mary Ellen served as Auction Coordinator for this annual event until her tragic and untimely death in 1998. Mary

Ellen worked energetically and tirelessly for the auction with great good will and good humor. She coordinated committee meetings, solicited gifts, attended to every detail and kept voluminous records second only to the Library of Congress. Her home became a second auction office filled with boxes of records, piles of auction contracts and gifts that she had purchased throughout the year and stored in the nooks and crannies of her attic and basement – much to the amusement of her family. Her legacy was the satisfaction of raising over \$600,000 in support of the students of both Cardinal Mooney and Ursuline High Schools.

Her contributions to Ursuline High School over the years were legendary as well. No task was beneath her . . . she flipped burgers and cooked fries in the kitchen for Bingo, she sold countless raffle tickets, cheered for the green and gold in the stands, and volunteered her time on every committee that needed an extra pair of hands. Her philanthropic efforts, which were instilled in her by her parents, enabled many to receive a Catholic education.

Because of her devotion to Catholic education and to Ursuline High School . . . we dedicate this evening to Mary Ellen Cushwa Wolsonovich, UHS '67, who so fits the words of the Alma Mater “ . . . *in our hearts and in our memories lingers deepest love for you.*”
