

Ursuline High School Media Resources

During Study Hall, as well as before and after school students have the opportunity to access the Cushwa Library and Learning Center. Teachers have the opportunity to use the space during class time for special projects.

On a regular basis students are exposed to the following technological tools

- SmartBoard Interactive White Boards
 - iPad Carts
 - MacBook Laptop Carts
- Lyden Distance Learning Lab (Video Conferencing Room)
 - Computer Labs
 - Internet Safety Training

Using log in information given to the students in English Class, students can access the following resources.
